

REMARKS

Currently claims 1-34 are pending. Claims 1-32, and 34 have been allowed. Claim 33 has been rejected under 35 U.S.C. § 101 as being directed to non-statutory subject matter. The specification has been objected to under 35 U.S.C. § 112, first paragraph as failing to adequately teach how to use the claimed invention.

As applicants have canceled claim 33, the 35 U.S.C. § 101 rejection is now moot. Additionally, the objection to the specification under 35 U.S.C. § 112 is now moot as such objection was given in view of the "means for" claim language in claim 33.

All remaining claims are allowable. A Notice of Allowance is earnestly requested.

Respectfully submitted,
Testa, Hurwitz & Thibeault
